## THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the New School Building on Atlantic Avenue in said North Hampton on Tuesday, the Tenth day of March, 1959, at one o'clock in the afternoon: Business meeting to begin at 7:30 P. M.: Polls not to close before 7:30 P. M.: To act upon the following subjects:

ARTICLE I To choose one Selectman for three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing year.

ARTICLE II. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

ARTICLE III. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE IV. To see what action the town will take regarding allowing a five per cent discount on taxes paid on or before a date which the Selectmen shall designate.

ARTICLE V. On petition of Philip Fowler and nine other legal voters to see if the Town will vote to pay the Village District one half the cost of the lifeguard at

the bathing beach, but not exceeding Three Hundred (\$300.00) Dollars each year, and to appropriate Three Hundred (\$300.00) Dollars annually for the same.

ARTICLE VI. To see if the Town will vote to authorize and empower the Board of Selectmen to withdraw and expend a sum not to exceed Twenty-Two Hundred (\$2,200.00) Dollars from the Capital Reserve Fund No. 1 (created for the construction and reconstruction of Town buildings) and to authorize the trustees of trust funds to make payments from the Capital Reserve Fund in such amounts as approved by the Selectmen for the following purposes:

A. To purchase building materials and supplies up to an amount not to exceed Five Hundred (\$500.00) Dollars in order to remodel the existing shed at the rear of the fire station as a stall for the tank truck.

B. To insulate the ceiling of the Town Hall.

C. To install radiators in the Town Hall so that the three buildings will be heated from one system.

ARTICLE VII. On petition of James F. Leavitt and eleven other legal voters to see if the Town will vote to adopt the provisions of the Municipal Budget Law in accordance with provisions of RSA Chapter 32 as amended.

ARTICLE VIII. On petition of James F. Leavitt and eleven other legal voters to see if the Town, in the event of the passage of the Municipal Budget Law, will vote to have the Moderator appoint a Budget Committee of six (6) members at large.

ARTICLE IX. On petition of H. W. Dalton and nine other legal voters to see if the Town will vote to authorize the Selectmen to appoint, from qualified applicants, a Chief of Police.

ARTICLE X. To see if the Town will vote to apply the balance of \$1,042.98 now in Capital Reserve Fund No. 2 (designated for the construction and acquisition of a water works) to reduce the current indebtedness on outstanding water notes, and to apply any further receipts in said fund from time to time for the same purpose so long as any such water notes remain outstanding, and to authorize the trustees of trust funds to make payments for such purposes.

ARTICLE XI. On petition of Lawrence A. Martin and nine other legal voters to see if the town will vote to raise and appropriate the sum of One Thousand (\$1,000.00) Dollars to maintain and conduct a system of public recreation for the summer months, and in connection therewith to establish a recreation committee of not less than five members to be appointed by the Board of Selectmen; and to authorize the Board of Selectmen to delegate to the Community recreation committee the power to administer and supervise the expenditure of said sum appropriated for said program and to employ a playground supervisor and assistants and to purchase such supplies and equipment as may be needed.

ARTICLE XII. On petition of Clara E. Stone and nine other legal voters to see if the Town will vote to extend, for fire protection purposes, the existing water main of the Hampton Water Works Company from the end of the line on Post Road to the Hampton town line on Post Road, a distance of 3,700 feet.

Martin W. Whenal moved and it was seconded that the County Tax figure of \$13,700 be raised to \$17,600; however it was not a vote. Mr. Whenal explained to the voters that this amount would have to be paid in any event and John Preston moved that Mr. Whenal's motion be reconsidered, and it was voted that the County Tax Budget figure of \$13,700 be raised to \$17,600.

William P. Fowler moved that the town raise such sums of money set forth in the 1959 Budget less the

\$500 decrease in the Fire Department figure and the \$3,000 decrease in the Water Extension Notes figure plus the increase of \$3,900 for the County Tax plus total appropriations of \$1,700 for articles voted on in the 1959 Town Warrant making a total of \$85,206.42. It was a vote.

George G. Carter moved that the meeting be adjourned, and it was so voted.

The meeting adjourned at 9:12 P. M.

The Polls closed at 9:20 P. M.

Respectfully submitted,

MARION L. CARTER,

Town Clerk

## REPORT OF THE VOLUNTEER FIRE DEPARTMENT

---

To the citizens of North Hampton:

The Fire Department consists of three permanent and 25 volunteer firemen. The fire station is manned on a 24 hour coverage by the permanent firemen and also receive and relay calls for the police department by phone and radio.

During 1959 twenty nine calls for assistance were answered by the fire department. Of these, twenty three were in town and six for Mutual Aid assistance, three to Hampton, three to Rye and Mutual Aid assistance was received from Hampton, Rye and Exeter. The estimated fire loss for 1959 was \$3,500.00.

There were 11 members who attended the State Fire School at Meadowood, N. H. drill yard on September 19 and 20 and received valuable training in the latest techniques of fire fighting.

At the 1959 Town Meeting the citizens voted under Article VI Section A, the sum of \$500.00 to be expended from the Capital Reserve Fund No. 1 to remodel the existing shed at the rear of the fire station for the tank truck.

This project has been completed with the help of the permanent and volunteer members which provides a heated stall to be able to keep the tank truck loaded with water through the winter months.

CURTIS D. MARSTON,

Fire Chief

## REPORT OF CIVIL DEFENSE

---

To the citizens of the Town of North Hampton:

This past year has seen a number of changes in our Civil Defense organization. We think these changes give the town improved protection against any emergency's, local or national. We wish to thank every one concerned for their support in making these changes possible, and hope for their continued aid in the future.

This past year as in years past there was purchased what surplus equipment that was made available to the town by the state civil defense agency, and the New Hampshire Distributing Agency. This consisted of such items as, clothing, boots, gloves, nylon rope, tools, lanterns, a portable kitchen, foam generator and foam, typewriter, fire extinguishers, and smoke masks, revolvers, blankets, and portable stoves. This equipment is all in use, and cost the town just transportation and handling charges. This past year a two-way base radio station for the police department was purchased, also a Motorola Conelrad Monitor under the matching funds program. Under this program the federal Government pays half the unit cost. The Conelrad Monitor was purchased because of F.C.C. regulations requiring monitors where base radio stations are to be located.

This equipment is all located at the fire and police and civil defense headquarters. The transfer of the 15 K.W. generator from the school to the town buildings was made and installed to provide emergency power for the police and fire stations and town offices in the event of any power failures. A recent directive from the office of Civil Defense Mobilization, Washington, D.C. makes

this installation a must, in the event the town ever desires to participate under the matching funds program to purchase added communications equipment.

Respectfully submitted,

REGINALD WRIGHT,

Civil Defense Director

MRS. ALEXANDER D. McKAY,

Asst. Civil Defense Director

## RECREATION COMMITTEE REPORT

---

For the third year in a row Mr. Robert L. Luther supervised the North Hampton Recreation Program. Again, both Mr. Luther and his assistant, Miss Gail Stewart did a fine job.

The program lasted for eight weeks during the Summer of 1959, five days a week with both morning and afternoon sessions. The average daily attendance was 60 boys and girls which continues the trend of a larger average daily attendance each year the program has been in operation.

The Recreation Committee would like to thank all of the parents and interested friends who helped make the program a worthy project. Again, we are looking forward to and hoping for another successful year.

Respectfully,

LAURENCE A. MARTIN,

Recreation Committee  
Chairman

## REPORT OF WATER COMMISSION

---

The Town of Hampton introduced a bill to the New Hampshire Legislature through its representative to purchase the Hampton Water Company. It was unsuccessful in its attempt because no agreement could be reached with the Towns of North Hampton and Rye.

The proposed purchase included the continuation of operations by the Town of Hampton under articles, introduced by it to the Legislature, which Rye and North Hampton considered unfavorable to them. There appeared to be a direct conflict between the statutes of the Public Utilities Commission and the articles of the Bill presented by the Town of Hampton.

The Town of North Hampton would have had no representation on the proposed Water Board. Water rates and rights throughout North Hampton would have been directly controlled by the Town of Hampton. There was no stipulation whereby appeals or injustices could be settled without court action and costly expense to the Town of North Hampton. Several meetings were held with the Selectmen and Representatives of the Town of Hampton to see if a cooperative plan could be worked out so that this utility could be purchased.

The prime interest of the Towns of North Hampton and Rye is purchasing water for general use and fire protection without relinquishing the water rights of the towns and jeopardizing future development. A considerable amount of money had to be expended for counsel to protect the best interests of the Town of North Hampton. A Public Hearing was held at the Hampton Beach Fire Station by the Public Works Committee of the State Legislature investigating the pros and cons. A unanimous decision against the purchase of the

Hampton Water Company by the Town of Hampton under the proposed Bill presented to the New Hampshire Legislature was voiced by the Town Representatives of North Hampton and Rye.

It is not known at this time what further action is planned by the Town of Hampton. Any future planning for extensions or improvements to the present water system depends solely on disposition of this matter.

Respectfully submitted,

MAURICE E. KIERSTEAD

Secretary Water Commission

## REPORT OF LIBRARY TRUSTEES

---

The Trustees are grateful to the many individuals and organizations who contributed not only books and magazines but also their services to the library during the past year.

The Memory Shelf of the Woman's Club has grown to such proportions that the Club has ordered an additional bookcase. We have found this varied collection of books to be an important addition to the library.

The activities of the Library Services Committee, sponsored by the Women's Club but including members outside the club, were exceptionally rewarding. A group met twice a month during the spring and winter months to work on the permanent picture and pamphlet file. A series of story hours was conducted for pre-school children, the last meeting taking the form of a party. There was an average of more than twenty children at each session and the parents seemed to consider this a very worth-while project for these children who did not have the advantage of a public kindergarten.

Other activities of this committee included furnishing refreshments for the Open House held at the library during National Book Week; providing fresh flowers twice weekly as long as they were available; and the planting of a permanent Christmas tree and the lighting of a community Christmas tree. The latter was made possible by financial aid from the Pythian Sisters and the Selectmen. In December a Book Fair for pre-schoolers was held with more than a hundred special books on display and many for sale.

The Home Demonstration Extension group planted trees again this year and Mrs. Peter Brooks arranged attractive Christmas Decorations.

The Library entertained the Neighborhood Libraries with representatives present from the State Library, the Extension Library, and the Rye, Hampton, and Hampton Falls Libraries.

The new peg board has proven an attractive addition to the entrance room. Mrs. Craig has arranged interesting exhibits every month and has received many favorable comments from visiting State Library personnel.

It was perhaps the busiest year in the history of the library and it would be impossible to name all the individuals who have given their time and services. There has been a twenty per cent increase in circulation which is very gratifying.

## REPORT OF LIBRARIAN

---

To the Trustees of the North Hampton Public Library:

The following is a report of the library from January 1, 1959 to December 31, 1959:

Number of new books added	381
adult fiction	139
adult non-fiction	94
juvenile non-fiction	49
juvenile fiction	99
Books given to the library	85
Book Circulation	12,811
Magazine Circulation	1,001

Books and magazines were generously given our library this year by Mr. and Mrs. Theodore B. Griffith, the North Hampton Senior Women's Club (Memory Shelf), Mrs. Cord Meyer, Major and Mrs. George Jacobi, Mrs. Emily Fletcher, Miss Dorothy Wilbur, Dr. Eric Simmons, Mr. Ogden Nash, the New Hampshire State Library, Miss Sonja Carter, Mrs. Clifton Gilman, Mrs. George Olsen, and Mrs. Edward Dodd.

This past summer the library sponsored a Summer Reading Club, which proved quite successful with more than half of the children reading the required number of books, and there were others who didn't quite finish in time. A Golden Nature or Science Guide book was given to the boys and girls completing the ten books required. We have already been asked if there will be another reading program this next summer.

Many interesting collections were brought in by the boys and girls for display during the summer, and were duly appreciated.

The State Library Bookmobile continues to loan a large number of books for all ages, which indeed give our readers an excellent choice, along with our own library books.

TOWN OF NORTH HAMPTON

---

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District affairs:

You are hereby notified to meet at the NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM on Atlantic Avenue in said District on FRIDAY the ELEVENTH day of MARCH at Four o'clock in the afternoon, and cast ballots from that hour until at least nine o'clock in the evening of said day for candidates for the following District offices:

1. Moderator for the coming year.
2. Clerk for the ensuing year.
3. A member of the School Board for the ensuing three years.
4. A Treasurer for the ensuing year.

And you are also notified to meet at the same place at 7:30 o'clock in the evening to act on the following subjects:

5. To determine and appoint the salaries of the School Board, and Truant Officer, and to fix the compensation of any other officers or agents of the District.
6. To hear reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.

8. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

9. To see if the District will vote to authorize and accept the employment of an assistant to the Superintendent of Supervisory Union No. 21, this Article to take effect for the Supervisory Union year beginning with July 1, 1960 and to raise and appropriate the District's pro rata share of a Seven Thousand Dollar (\$7,000.00) salary and of a One Thousand Dollar (\$1,000.00) travel allotment, namely, Seven Hundred Seven Dollars and Sixty Cents (\$707.60); provided that each of the other Districts in the Supervisory Union vote to accept this article and to raise and appropriate their pro rata share of the salary and travel allotment.

10. On petition of Alice K. Wright and eleven other legal voters, to see if the District will vote to appropriate a sum of money sufficient to install a curbing and drain basin on the westerly and northerly side of the elementary school yard to avoid drainage and flooding of adjacent properties.

11. To see what sums of money the district will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the School Board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

12. To transact any further business that may legally come before said meeting.

Given under our hands at said North Hampton this  
23rd day of February 1960.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of the  
North Hampton School District:

It gives me great pleasure to submit my second annual report as your Superintendent of Schools. The past year has been productive of professional and personal satisfaction, all of which has been due to the fine cooperation of the staff of the school and the lay citizens who have taken an active part in the North Hampton school. I look forward to being of continued service to these people.

North Hampton, along with the other seven school districts of Supervisory Union No. 21, is faced with the same pressures and problems of all the public schools in the nation. The impact of the need for a better education for all people has resulted in many eloquent speeches and much prolific writing. Any further report, on my part, in this vein would be a mere repetition of that which has already been stated. Therefore, I shall limit my report to a brief outline of local accomplishments and goals with the understanding that all are aware of the greater problems to be solved.

Your school suffered a serious blow when Mr. Walter Brown, Principal for the past two years, resigned to become Principal of the Hampton schools. His work as your administrator left little to be desired. However, his successor, Mr. Arvine Miller, formerly Principal in Seabrook and Lee, Massachusetts, has taken up where Mr. Brown left off and the North Hampton school continues to benefit from exceptional educational leadership. Mr. Miller is particularly well founded in methods of instruction in the elementary grades and this knowledge is reflected in the improved instruction being granted to your children.

The other members of your staff continue to contribute excellent service. The additional Teacher and the replacements for those who left have more than met the fine standards set by your previous staff. The small classes add a great deal to the potential of these fine instructors and they have more than met this challenge.

North Hampton is in the fortunate position of being able to increase its student population without the necessity of additional construction. This is a tribute to the foresight of those who recommended the construction at a time when the immediate need was not absolute but the future was apparent. This will result in a saving to the citizens of North Hampton and has provided exceptional educational opportunities.

Your educational television program has been expanded to include the fine programs from Channel 11 at Durham. Additional programs will be forthcoming from this outlet and I am confident that we can look forward to considerable improvement in the utilization of this valuable adjunct to the classroom instruction. Also expanded and improved is the program for the academically talented student. Long a need in the American public school, North Hampton pointed the way in this area for this service and your children are the immediate beneficiaries.

The area of Art and Music instruction suffers from the lack of time available for the excellent people performing these services. In attempting to provide instruction in four school districts with two persons, we have subjected the instructors to a nearly intolerable burden. An attempt will be made to provide additional instructors in two of the four communities thus relieving the current people for service in Rye and North Hampton.

Our most pressing problem is still the procurement of qualified Teachers. The School Board is recommending

an increase in the beginning salary and is applying the increase to all members of the staff. While still a modest (\$3,600) beginning income, compared to other school systems, it does enhance our opportunity of securing the services of better Teachers. I am hopeful that the School District will see fit to approve this request.

The need for clerical assistance in our elementary schools is becoming more and more acute. Once considered necessary for only larger high schools, this service now is looked upon as educationally desirable and economically practical. The former because it frees the Principal for the specific duties that his training and experience permit him to do and the latter because it is poor business to have a relatively high salaried person accomplishing clerical chores that can more efficiently be accomplished by someone at far less expense to the district. I feel that the provision of part-time secretarial help is vital and hope that the school district will agree.

North Hampton, through its support of the Supervisory Union educational program, continues to increase the instructional offerings to many children. Our classes for the intellectually retarded, now housed at the Centre School, Hampton, and Winnacunnet High School, Hampton, will remain in these locations. Through a slight change in the administrative procedures it will be possible to increase the number of students in these classes without adding to the expense. Thus, still more children will benefit.

Each School District has been asked to support a request for an Assistant to the Superintendent by raising and appropriating its share of a \$7,000 salary and \$1,000 travel allowance. The need for this additional staff member has been demonstrated and it is hoped that this school system, the sixth largest in the state, can acquire these services and subsequent benefits. The request is

not based upon a desire for a reduction in responsibilities and work for the Superintendent but to enable that person to do still more.

The Supervisory Union School Board has also increased the appropriation for rent to enable the school office to move to more adequate and hoped for permanent quarters. While no definite plans have yet been made it is expected that the office will be located in Hampton.

The American public school system, long a provider of an education that was "desirable" is now seeking to provide an education that is "necessary". This subtle change in emphasis will cause changes in techniques and methods, all of which will cost money.

Until the federal or state governments assume a more positive role in the financing of the program the local community will have to bear the burden. We will need to engage in research and in experimentation, both of which must be accomplished if improvements are to be made. Some help will come from private foundations but we cannot wait until they determine that North Hampton's problem is of sufficient significance to warrant their investment. We must provide both "quantity" and "quality" in our schools.

"Schools reflect the society they serve. Many of the failures we ascribe to contemporary education are in fact failures of society as a whole. A society that is indifferent to its own heritage cannot expect the schools to make good that indifference. A society that slurs over fundamental principals and takes refuge in the superficial and ephemeral cannot demand that its schools instruct in abiding moral values. A society proudly preoccupied with its own material accomplishments cannot fairly expect its schools to teach that the snug warmth of security is less meaningful than the bracing venture

of freedom. In all this, to reform our schools is first to reform ourselves." Henry Steel Commager, "Our Schools Have Kept Us Free", October, 1950.

In closing I wish to thank all those who have aided in making this past year a success. The School Board, the staff of the school, and the interested citizens who have actively supported our program have made contributions that are deeply appreciated.

I wish to also thank Miss Leota Whitcomb, Helping Teacher, and Miss Edith Hammond, Executive Assistant, and the other members of the office staff without whose diligent labor much would have been left undone.

Respectfully submitted,

C. M. GREEN,

## REPORT OF SCHOOL NURSE

---

To the Superintendent of Schools and the  
School Board of North Hampton:

Two days a week are spent in the North Hampton School.

Our Health Program consists of annual visual screening and hearing tests, weighing and measuring all children and general inspection.

Much of my time is spent in making home contacts for the purpose of follow-ups. For example, in urging medical care of defects, or in discussing behavior problems when a health problem is involved. Also time consuming is the transporting of ill pupils from school to the home.

A total of two hundred and forty home contacts were made by me in 1959.

Weekly visits are made to all classrooms.

Eight children were found needing complete vision check-ups and all received the necessary treatment.

An otometer, for doing hearing tests, was given to the school by the School Board at the beginning of the year. This is a compact and very useful piece of equipment. I would like to thank the Board for this.

Ear tests have been done on all children in both first, third, fifth, seventh and eighth grades. Also tested were new students and any who were referred by parents or teachers. Two children were found to have hearing problems and both were treated by an otologist.

Physical examinations were given to pupils of both first, fourth and seventh grades, and all pupils who tried out for sports.

Registration for pupils entering the first grades in the fall, was held in May. At this time all children were weighed and measured and their complete health records were made out. This was done in cooperation with the parents.

A total of one hundred and eight pupils were seen and examined by the school physician, Dr. Charles B. Bailey.

My thanks to all my co-workers and especially to the members of the Hampton Lions Club for all the assistance they have given me.

Respectfully submitted,

JESSIE MANSOURIAN, R.N.,
